Renovated penthouse with large terrace and sea views in Santa Catalina

This newly renovated penthouse in Santa Catalina offers a clean, modern living space in one of Palma's most desirable neighborhoods. Located on the 5th floor with elevator access, the apartment has 59 m² of interior space and a 39 m² private terrace with sea views—ideal for outdoor dining or relaxing.

The layout includes a bright living area with direct access to the terrace, a contemporary kitchen, two bedrooms, and one modern bathroom. The renovation is finished to a high standard, and air conditioning ensures comfort throughout the year.

Santa Catalina is known for its mix of traditional character and modern lifestyle. The area is centred around its well-known market, surrounded by a wide range of cafés, restaurants, and small boutiques. It has a lively but relaxed atmosphere, popular with both locals and international residents.

The marina and promenade are within walking distance, and Palma's city centre is just a few minutes away, making it a convenient and well-connected place to live.
