Stylish Apartment in the Heart of Palma

This high-quality renovated apartment, renovated in 2023, offers 190 sqm of elegant living space in the heart of Palma. The property beautifully combines historic Mallorcan character with contemporary comfort and a sophisticated urban lifestyle.

Original details such as the patterned hydraulic tiles, high ceilings and white walls with traditional stucco detailing have been carefully preserved, creating a bright and timeless atmosphere. The spacious open-plan living and dining area connects seamlessly with the modern kitchen and opens onto a terrace, making it ideal for both everyday living and entertaining.

The apartment features three bedrooms and two bathrooms, including one en suite. A built-in fireplace and integrated air conditioning provide comfort throughout the year, while two front-facing balconies and two rear terraces offer plenty of outdoor space.

With abundant natural light, generous proportions and an exceptional blend of original charm and modern design, this is a distinctive Palma residence in a truly central location.
